

Club Policy

Whispering Pines is a family oriented nudist resort that subscribes to the policy that legitimate organized social nudity in a wholesome family atmosphere is not associated in any way whatsoever with overt sexual behavior and that such behavior emanates from those that are not genuine nudists. Persons exhibiting such overt physical and verbal behavior (visiting guests or members) will be removed from the property immediately and will be permanently banned. Any fees, rent or membership will not be refunded.

Behavior at Whispering Pines Nudist Resort is based on common sense, courtesy, and individual respect. These guidelines are a list of good manners practiced in most pleasant social situations.

- Visitors and guests must sign in and pay grounds fees on arrival.
- Always carry a towel to sit on. For sanitary reasons never sit on another's towel or on a bare seat.
- Whispering Pines is a clothing optional, family oriented nudist resort. Your behavior must be conducive to a family atmosphere at all times.
- The pool and hot tub area are the only areas where nudity is mandatory. All other locations on the property are clothing optional. Proper attire is required in the clubhouse. Women: nude, shirt or wraps are allowed. No provocative clothing, if you have to ask, it probably is. Men: nude or shirts. No shorts or slacks. Please do not put yourself or the management in a situation where you may be asked to change or leave.
- No photography or videos are to be used without the approval of the office or without someone from the office present.
- Cell phones are no longer permitted in the pool and hot tub areas due to the ever increasing number of new cell phones with photo capabilities.
- No glass containers are permitted in the pool and hot tub areas.
- Shower before entering the pool or hot tub.
- The use of bubbles in the hot tub is not permitted. Children under 12 must be under the direct supervision of a responsible adult while using the pool and hot tub.
- Be courteous to smokers and non-smokers alike. This does not mean you must capitulate in total obedience upon demand, it simply means be courteous.
- Use and/or distribution of illegal drugs on the property is strictly prohibited. Such members and/or guests will be permanently evicted. No exceptions.
- Body piercing must be in good taste.
- Fires/campfires are approved by management only in certain locations.
- Please do not wash your vehicles (car/truck/RV/camper) while on the Grounds.
- Pets are not allowed in the pool and hot tub areas and should be kept at your accommodations if they are brought for overnight stays. Please use a leash when walking your pets and do not allow your pets to roam. All pet droppings are the responsibility of the pet owner.
- Visitors and members must refrain from using profane language, especially around children. Please report inappropriate language to the office.
- Members and guests are responsible for their own behavior at all times. Overt behavior and/or suggestive/sexual language is inappropriate and will not be tolerated. Persons demonstrating any kind of overt behavior or using suggestive/sexual language will be asked to leave and permanently lose the privilege of future visits and/or membership. Any monies paid will not be returned.
- Parents may not leave children on the grounds in their absence. Children should not be unsupervised at any time. We want your children to enjoy themselves but please be

considerate. Your children must not be allowed to destroy the grounds of Whispering Pines Resort, the property belonging to others or annoy other guests. If you own or bring with you any type of battery powered sport vehicle, children should not be allowed to drive them without direct supervision of an adult at all times. Failure to follow these guidelines will result in your being required to leave the resort.

- In the highly unlikely event that you encounter a problem or any inappropriate behavior please inform the office immediately.
- We reserve the right to refuse admittance or to remove from the grounds anyone whose presence we feel is not in the best interests of Whispering Pines.
- We do not try to keep a perfect balance between male and female. However, we do not want to have an uncomfortable situation for any of our guests. Anyone of any gender openly staring at guests will be asked to leave the premises. Please call if you have questions.
